

THE SULLIVAN COUNTY PARTNERSHIP FOR ECONOMIC DEVELOPMENT

FOR BUSINESS...FOR LIFE.

Investment Benefits

Your investment helps attract new business and support business expansion.

Join the premier association committed to jobs, investment and economic growth in Sullivan County.

The Sullivan County Partnership for Economic Development is a group of successful business people committed to establishing our county as a community and business center, while improving the quality of life for our families and residents.

Our organization is in the business of helping your business grow and prosper. And now, more than ever before, Sullivan County is a place where people can work where they've always wanted to live. It's a place for business...it's a place for life – with a blend of country charm and easy access to major metropolitan centers.

So whether your business is new to town, or already in town and looking to expand, look to us, The Sullivan County Partnership for Economic Development, for support. We are funded primarily by investments from private business and receive matching funds from our County Legislature and Industrial Development Agency. Your annual investment helps fund our marketing efforts to attract new business, while actively supporting expansion of existing business.
